Note 1: Competitors have the option of doing either the 50 Bike or 50 Run. To determine a consistent total, if someone does not do the 50 bike their 50 run time is multiplied by 4/7. This is the ratio of the 2 course records and precisely the ratio between the 2 course cut-off times (8 hours and 14 hours). If someone does both 50 races then the race resulting in the lowest total is used (highlighted in yellow)

Note 2: Gold Buckles highlighted in Gold

* Note 3: The 10K does not have an official maximum finish time.
